

# Waist Cut frock

## MATERIALS REQUIRED

- Printed cotton fabric, approx 3.5m

## MEASUREMENTS

- a. Chest
- b. Length
- c. Waist
- d. Across shoulder

## METHOD UPPER PART

1. From point O mark A i.e. shoulder to waist length.
2. From point O mark B which is 1/2 of across shoulder
3. From point O mark C i.e. 1/4 th of chest.
4. From point C mark point E which is 1/4th of chest + 1"
5. From point B mark F i.e. 1/36th of chest
6. Mark point H from point A i.e. 1/4 th of waist + 1" and join HA with straight line
7. Join FO with straight line. Join HE with straight line.
8. From F mark point Y i.e. 1.5" on line FO.
9. Mark point X from point O i.e. 1/12th of chest + 1".
10. Mark point W on centre front from point X i.e. 1.5".
11. Mark diagonal line from point E to O.
12. Now we get point R, from point R to E make a slight curve for arm hole and give shape as shown in the figure.

## LOWER SKIRT

1. Draw a rectangle WXZY as shown in the fig.
2.  $WY = 12"$  and  $WX = 20"$ .
3. Draw 2" rectangle inside WXZY as shown.
4. Place CD on AB and EF on GH and MN on KL and OP on QR and make pleats .
5. Similarly repeat the steps for back.

## CONSTRUCTION

1. Stitch the side seams with French seam
2. Finish the hem with blind hem.
3. Concealed zipper will be attached at back .

## Fabric Dual Colour Mix Options

Pantone 2665c 801c and 1777c 3272c

## TRIMS

1. Decorative laces and trims can be added at the hemlines
2. Colorful buttons can be used as show buttons.
3. Colorful threads can also be used for stitching.
4. Different fabrics in the same color tone (one solid and one printed ) can be used
