A CHOCOLATE ROSE BOUQUET

Gift your loved one this edible rose bouquet from Choko La this Valentine's Day. The chocolate roses are the perfect gift to present your loved one with this Valentine's Day. If you want something that is smaller than the bouquet, you can opt for a single rose instead. We suggest pairing this beautiful bouquet with a hamper or just by itself to give your partner a great surprise. Those with a sweet tooth are sure to enjoy this pretty bunch of chocolate roses. Priced at ₹810 for the bouquet and ₹90 for a single rose, this one is surely on our list.

LEARN A NEW DANCE

If you want to do something that you've never done before to celebrate Valentine's Day, then book your places at this Sunday's Charleston dance session at Studio Balance. Telling us more about the dance, Shannon Benjamin, co-founder of DanceSport India, who will be teaching the dance on Sunday, says, "The Charleston dance became popular after appearing along with the song The Charleston in the Broadway musical *Runnin' Wild*. While there are many variations of the dance, the basic steps involve kicking your legs and swinging your arms." The best part is that the entry is completely free, but do make sure to register by calling on the number mentioned below.
